About ARCHOS

ARCHOS, a pioneer in the portable audio and video player market now specialising in Android tablets and smartphones, has repeatedly revolutionised the market for consumer electronics since 1988. Today, ARCHOS offers its own line of Android tablets and smartphones, as well as a full line of OEM devices. In 2000, ARCHOS launched the Jukebox 6000, the first MP3 player combined with a hard disk. In 2008, ARCHOS launched the first generation of tablets with internet as well as the first ever Android powered tablets in 2009. In 2013, ARCHOS launched its first generation of smartphones with the ARCHOS Platinum series. ARCHOS has offices in the United States, Europe and Asia. ARCHOS is quoted on Compartment C of Eurolist, Euronext Paris, ISIN CodeFR0000182479.
