## ARCHOS 133 Oxygen: Extra-large screen beauty, powerful internals, for the family

**London – Thursday, September 1<sup>st</sup>, 2016 – ARCHOS unveils today its ARCHOS 133 Oxygen tablet. This new model completes the ARCHOS Oxygen lineup, delivering high-end specifications in different formats (7, 8 and 10.1 inches), introduced pan European wide this summer. Demonstrated later this week at IFA 2016, available in November 2016, the ARCHOS 133 Oxygen offers once again an elegant design in a robust casing, latest technologies, for heavy multimedia uses, all at a reasonable price.**

As a forerunner in the tablet segment, that introduced the first WiFi-enabled solution running Google Android back in 2009, ARCHOS designed the ARCHOS 133 Oxygen to match users' needs at home.

It features an elegant design along with a robust aluminum polished back casing made of metal finishes and a soft touch feeling.

The ARCHOS 133 Oxygen comes with a 13.3-inch Full HD IPS display, delivering a 1920 x 1080 resolution, providing colour fidelity as well as fluidity, to enjoy practically any multimedia content.

With its impressive 34cm screen, it will become the must-have family companion this season. Families can sit down and play games, watch movies, share pictures or surf the web together. It can also be put on display in the kitchen or the living room as a family organiser.

It sports an octo-core Rockchip RK3368 processor at 1.5 Ghz together with a PowerVR SGX6110 GPU, the best combination today for enjoying blazing 3D games and 4K videos.

The ARCHOS 133 Oxygen is also backed by 2 GB of RAM, 64 GB of internal storage, expandable up to 128 GB thanks to its built-in Micro SD slot, for appreciating photos, videos, highly demanding applications, with nearly no limit.

It embeds two cameras, 5 MP with Flash Focus at the back, 2 MP at the front, to catch the best of the every day's family life and to video chat for keeping in touch with loved ones.

It packs a long life 10 000 mAh battery, with an average 5 hours video playback time that will fit when travelling.

The ARCHOS 133 Oxygen runs Google Android Marshmallow, in its sheerest release, with a complete access to the Google Play Store and its millions of applications. It is preloaded with the famous ARCHOS Video Player that enables to play most of the multimedia files easily. It offers video acceleration, subtitle downloader, video resume, TV friendly, and the ability to play contents on local networks at home and external devices.

The ARCHOS 133 Oxygen will be exhibited on ARCHOS's booth at IFA 2016 (Hall 25, Booth 206). It will be available for purchase in November 2016 on [www.archos.com](http://www.archos.com) and through its distribution's channel worldwide for £179.99 (UK).

### Camera

|                     |           |
|---------------------|-----------|
| <b>Front Camera</b> | 2 MP      |
| <b>Back Camera</b>  | 5 MP (FF) |

### Power

|                            |                               |
|----------------------------|-------------------------------|
| <b>Battery Size</b>        | 10 000 mAh                    |
| <b>Video Playback Time</b> | ≈5 hours (168 hours Stand By) |
| <b>Battery Type</b>        | Li-ion                        |
| <b>Battery Weight</b>      | 150 g                         |
| <b>Number of Cell</b>      | 1                             |
| <b>Charging Adaptor</b>    | 5V/2A, DC in                  |

## Multimedia

### Video Playback

H.264 HD (up to 720p @30fps), MPEG-4 HD (up to 720p @30fps), extensions: AVI, MP4, MOV, 3GP, MPG, PS, TS, MKV, FLV

### Audio Playback

MP3, WAV (PCM/ADPCM), AAC<sup>3</sup>, AAC+ 5.1<sup>3</sup>, OGG Vorbis, FLAC

### Alert Type

MP3, MAV ringtones

### Image Viewing

JPEG, BMP, PNG, GIF

### uPnP /DNLA

Yes, via Video and Media Server applications

## Ports and Sensors

### Loudspeakers

2 built-in speakers

### Audio out

3.5 mm Jack

### Microphone

Yes

### USB

2 Micro USB with USB host via OTG cable (sold separately)

### G Sensor

Yes

### Accelerometer

Yes

### HDMI

Micro HDMI

## What's in the box

ARCHOS 133 Oxygen

Charger with EU, UK adaptors

USB data cable

Documentation

## About ARCHOS

ARCHOS, a pioneer in consumer electronics, has repeatedly revolutionised the market. Among others, the French manufacturer was first with an HDD MP3 player in 2000, a multimedia player in 2003, Google Android powered tablets in 2009, as well as a connected Smart Home in 2014. Today, ARCHOS offers its own line of tablets, smartphones and connected objects worldwide. With headquarters in France, offices in Europe and in Asia, ARCHOS has become a strong pan-European player and is furthering its international expansion. ARCHOS is quoted on Compartment C of Eurolist, Euronext Paris, ISIN Code: FR0000182479.

For more information on ARCHOS tablets, smartphones and connected objects, go to [www.archos.com](http://www.archos.com), Facebook, or Twitter.
