The ARCHOS Citee is hitting the shelves from today starting at 329.99 €

Paris – Tuesday, April 2nd, 2018 – ARCHOS, which has marketed a complete range of urban mobility since January 2017, commercializes its new ARCHOS Citee scooter offering to the many riders eager to optimize their trips a solution as enjoyable as reliable.

The electric scooter ARCHOS Citee is made of aluminum, for a maximum of lightness and resistance. It is equipped with large wheels for more comfort on the tracks. Easy to drive with its three speeds, it can reach a maximum speed of 22 to 25 km / h. It offers an excellent level of safety, with its rear brake and reflective strips on the sides. Its acceleration and deceleration can be adjusted from the handlebars. It folds in the blink of an eye, safely, thanks to a dedicated latch, and weighs less than 12 kgs. Its display shows the speed and remaining level of the battery. It can support up to 100 kgs.
