Unless it has terminated its conversion rights pursuant to Paragraph 9.5 of this Schedule 4, each Note holder shall have the right at its option, and effective at any time starting on the applicable issuance date, up to and including the Maturity Date (the "**Conversion Period**"), to exercise, for all or any of the Notes, the right to receive, at the Issuer's discretion (to "**Convert**", or a "**Conversion**"):

- (i) Shares only,
- (ii) cash only,
- (iii) a mix of Shares and cash.

In the Conversion Notice, the Note holder shall specify the number of Notes to be Converted, and the corresponding aggregate principal amount and interest, if any, so Converted (the "**Conversion Amount**").

Each Note holder is allowed to make multiple conversions of Notes, it being specified that each Note can be Converted once only.

9.2. Conversion Date; Notice

Each Note holder may Convert all or any of its Notes on any Trading Day of its choice during the Conversion Period, effective on the date of receipt by the Issuer of a Conversion Notice in accordance with Paragraph 9.1 of this Schedule 4 (the "**Conversion Date**").

On each chosen Conversion Date, each Note holder shall Convert all or any of its Notes by giving Notice to the Issuer (the "**Conversion Notice**"), using the form attached in **Schedule 5** and specifying its choice of a number of Notes to be Converted.

Following a Conversion, the Issuer, after updating the securities account where the Notes are registered, shall in turn (i) as the case may be, send a notice to the Agent for the issuance of new Shares to the relevant Note holder and (ii) update the follow-up table on its website.

9.3. Conversion ratio; Conversion Cash Payment

Upon a Conversion, if the Issuer wishes to remit Shares only, the number of new Shares issued by the Issuer to the relevant Note holder in accordance with Paragraph 9.1 of this Schedule 4 will be calculated as the Conversion Amount divided by 90% of the Market Price on the applicable Conversion Date (the "**Conversion Price**").

The Conversion Price will be determined (i) to two decimal places and rounded down to the nearest 100th if the Conversion Price is higher than or equal to EUR 0.10, (ii) to three decimal places and rounded down to the nearest 1000th if the Conversion Price is lower than EUR 0.10 and higher than or equal to EUR 0.01, and (iii) to four decimal places and rounded down to the nearest 10000th if the Conversion Price is lower than EUR 0.01.

For the avoidance of doubt, absent notification from the Issuer on the Conversion Date, the Conversion shall be satisfied in Shares only.

The Conversion Cash Payment to be made by the Issuer to the Investor shall be equal to (a) the applicable proportion of the Conversion Amount divided by (b) the applicable Conversion Price, multiplied by (c) the Daily VWAP of the Share on the Conversion Date.

It is specified that in any case the Issuer cannot issue Shares at a price below the nominal value of the Shares.

If the issuance of new Shares would result in the issuance of a fraction of a Share, the Issuer shall round such fraction of a Share down to the nearest whole Share.

Upon Conversion of one or several Notes in accordance with Paragraph 9.1 of this Schedule 4, the claim held by the Issuer against a Note holder arising from the aggregate subscription price of the Shares shall be set off against the claim held by that Note holder against the Issuer upon that conversion amounting to the Conversion Amount (together, the "**Related Claims**" ("*créances connexes*"). Upon set-off of these Related Claims, the Conversion Amount will cancel the aggregate principal amount and applicable interests, if any, of the Notes so Converted. Such Conversion shall not require the payment of any fee or charge by the relevant Note holder.

The Issuer shall promptly deliver freely tradable Shares and/or the Conversion Cash Payment to the relevant Note holder upon each conversion of Note(s), it being specified that:

- if the Issuer receives a Conversion Notice before 9.30 am CET on a Trading Day, the Issuer shall send a notice to the Agent for the issuance of the new Shares prior to 11.00 am CET on such Trading Day;

- if the Issuer receives a Conversion Notice after 9.30 am CET on a Trading Day, the Issuer shall send a notice to the Agent for the issuance of the new Shares prior to 11.00 am CET on the next Trading Day.

In any case, the reception of the Shares by the relevant Note holder shall occur no later than one (1) Trading Day after the Conversion Date.

If the relevant Note holder does not receive the relevant Shares as provided for in the paragraph above in connection with a Conversion of Notes or if the Issuer does not have sufficient shareholders' authorizations available to issue new Shares or a sufficient number of existing Shares to remit to a Note holder upon Conversion of Notes, and if the early redemption of the Notes was not requested by the relevant Note holder, the Issuer shall have the obligation to satisfy the Conversion in cash, by paying to the Note holder the relevant Conversion Cash Payment.

If the Issuer does not have sufficient cash available to satisfy a Conversion in cash for any reason whatsoever, the Issuer shall have the obligation to satisfy the Conversion in Shares, by issuing new Shares to the Note holder.

Any payment to a Note holder made in cash by the Issuer in accordance with Paragraph 9.3 of this Schedule 4 shall be made by the Issuer to the relevant Note holder by wire transfer to a bank account notified by the relevant Note holder to the Issuer, in immediately available and freely transferable funds in Euros.

9.4. *Rights attached to the Shares*

The new Shares issued upon Conversion of the Note(s) shall be subject to all provisions of the By-laws and to decisions of the general meetings of the shareholders of the Issuer. The new Shares shall be admitted to trading on Euronext Growth as from their issuance date, will carry immediate and current dividend rights ("*jouissance courante*") and will be fully assimilated to and fungible with the existing Shares.

The right of each Note holder to Convert the Notes pursuant to this Paragraph 9 shall terminate on the date on which the Notes are fully redeemed and/or Converted.
